My Goals / Reflections for This Week

End of Month Review

Thoughts

What went well or got accomplished? Why?

What didn't go well or get accomplished? Why?

Look at this month's goals - drop irrelevant ones & transfer others that didn't get done - a success rate of 80% accomplished is good

Set goals and plan specifics for next month - decide on the next actions required to further each goal (major actions, not micro-actions) - break these down into micro-actions and schedule them into your weeks

Add possible Life List goals that may or may not happen this year - some may turn into real projects, some will be postponed, and some will be dropped eventually
